Elm Tree Cottage is a modern, open-concept, single-storey one bedroom cottage located on a quiet residential street in the historic town of Shelburne. The cottage is conveniently located, walking distance to restaurants, museums, shopping, library, arts centre and Shelburne's beautiful harbour.

Completely renovated in 2013, Elm Tree cottage is light, bright and airy. Clean lines, muted paint colours, and a touch of retro chic all add to the ambiance and charm of this delightful property.

Elm Tree Cottage is perfectly suited for the business traveler, or vacationing couple. With all the conveniences of home, the cottage features a large queen size bedroom and a modern bathroom. There is an open concept living room, dining room and a fully equipped, ergonomically designed contemporary kitchen, complete with fridge stove, microwave, dishwasher, toaster, coffee maker, kettle, dishes and cookware. Other amenities include laundry facilities, flat screen smart TV, and high speed wireless internet.

The front of the cottage is sheltered from the road by two magnificent old elm trees. Behind the cottage is a wooded area with a charming babbling brook. A path leads to the edge of the brook where there are two garden chairs for relaxing. Sliding patio doors open up onto a deck at the back of the property that provides a pleasant private outdoor living space for barbequing, relaxing and entertaining.

Sleeps 2 guests.
